

## 2009 Jack Boast Memorial Junior Longboard Champs

On Saturday Nov 7th, the 2009 Jack Boast Memorial was held at the Bluff in 2', rather sloppy but very contestable conditions. The juniors excelled in the testy conditions and true to form, not one complaint was heard about the surf.

Congratulations to everyone involved; thanks to the competitors for coming and thanks to the AHMC contest director, cook and other members who helped out.

Sadly it's the last year that we'll see the Cunningham twins in the Jack Boast, so all the best boys, and we hope to see you down for the Winter Classic next June.
