A word from last year's Vice

Hello everyone and welcome to 2011. Hope you all had a great xmas and a very merry new years. I hope you are all pumped and ready to rock as our world famous club full of world famous people is about to kick off the surfing season of 2011. Having said that I would say it's already been on for young and old over the last week or so.

I made the usual pilgrimage to Noosa as I would imagine many of you have over the last couple of weeks so I don't need to tell those who ventured north just how good it was. But for those who didnt, well what can I say. It was cranking from Ti tree to First point and everywhere in between. You gotta love that place. It seems a lot of people do if you know what I mean. According to Damo there was a bit of biffa going on in the water. Yes in the water! Take it to the beach if you have to boys. Better still go home and let the rest of us enjoy it for what it is.

Now down to the serious stuff. The AGM is on the day after Australia day. This is when the committee stand down and we all have a vote and a new set of slightly insane people put their hands up and say yes I will have a go. If you do want to do something for the club or you want to nominate someone else or you just don't have a life and want a laugh come along and be part of the action. You may have a suggestion or two on improving the club. We would love to hear any feedback.

On a more somber subject. On behalf of all Alex Mal Club members I would like to send our best wishes out to all the people directly or indirectly affected by the terrible floods we've had in this supposedly sunburnt country of ours. Our hearts go out to each and every one of you. Although it has been a devastating time for many it really does seem to have brought out the best in humanity. It certainly makes me proud to call myself Australian.

And to finish off I would like to say to all the couples in the club that are currently in reproductive mode well done! To Steve, Marcus, Josh, Ryan and all the rest of you randy buggers, you do realize its going to interfere with your surfing time don't you!

And that's a rap from me. See you all in the water, brown and smelly as it might be at the moment. Gazza

SEE YA AT THE AGM!

From the 2010 2IC Contest Director

It has been another fantastic year on the committee. I have loved working with the rest of the gang and would like to thank you all for your time and energy for the club and being such a pleasure to work with. I am stepping down this year though. I would love to be on the committee again when Florence is a little older. Next year I hope to do more surfing now the belly is a little smaller :()

I think we have a fantastic club and hope to have lots of fun again with you all this year!

Lisa
