Presidents Point Of View

Plenty of waves about at time of writing and hope you all have a been getting a few sliders and must say we are so lucky to have so much variety of breaks up and down our amazing coastline.

Entries are open for the Noosa Contest next year so if you are thinking of entering advice is get in early as the change of format of the event will most likely see divisions fill quickly even though it is on in March next year

We have entered 2 teams in The Board Meeting Surf event 3rd November at Kawana with all the proceeds of the event going to help local kids with disabilities so this is a fun event with Memorabilia Charity Surf Auction so let Danielle know if you wish to be part of a team or just come down and support the amazing event.

Our Annual Golf Day is coming up on Sunday the 18th November at 2 pm at Glenview par 3 so don't miss this fun day so get out there and get some practice as we all know how competitive and hilarious the event is each year . We have locked in all our events for next year as there are just so many contests and events on each month so check out all the dates.

Only 2 club comps to go for another great year done and dusted so thanks to everyone for all there efforts in what you do in helping make these club days as good as they are.

Helping to set up the comp early being available to judge all day if required and help with the cooking and still being there at the end of the comp to help us all pack it all up. Its all about helping each other and many hands make light work .

Been so great to see so many new members still joining the club and some old members returning with talk of another couple of really good local surfers coming to join as well stay tuned on that.

Cheers Kevi .
