Presidents Point Of View

Well another great year just about done and dusted for us all and what a fantastic year for the club it was. We have had some fantastic club comp days and a few cancellations as well but mostly conditions were on our side throughout the year.

In June Our Winter Longboard Classic went off again without a hitch a well oiled machine after all these year and with classic offshore conditions for 3 days at Pincushion we saw without a doubt some of the best Longboarding in the country rip the banks apart and the finals in all divisions were outstanding The Annual Duporth Tavern Old Mal Rally and Qld Titles were held in August with a Junior and Senior Division plus the Famous Mystery Division which the overall loser is the winner as everyone wants to win an embroidered Jacket and the presso was hilarious.

The Jack Boast Junior Longboard Competition in September saw and Old Mal Division and a Retro Division as well as age divisions and this year like them all the standard of junior surfing in all divisions was amazing.

Thank you to all our Sponsors who support us year in year out as without your support these events would just not happen each year so sincere thanks to all your ongoing support and we look forward to your ongoing sponsorship next year.

To all the committee members this year a big thank you for all your ongoing efforts as we say many hands make like work so well done to you all.

Thanks to All the new members that joined this year and we had a great growth year of new memberships so we hope you had a great year.

To all the winners of the yearly perpetual trophies can you please get them back to the committee this weekend as we will need them for the Club Presso.

Keep your fins wet

The Directors Cut

G'day longboarders and all alex mal club members. Well the year has flown by once again and we are down to our last club comp for the year. The last two comps have been postponed and then. Canceled due to bad conditions and lack of waves. Unfortunatley this week 5 report looks much the same with onshore winds predicted so we will have to wait and see.

Recently we had teams compete in the board meeting charity comp and they did very well with ourjunoir team winning and our senoir team doing well also. Well done guys, great effort! The club has also succured a grant which is a first for alex mal club and it will enable us to upgrade our gear. Welldone to everyone involved, especially Kevin and Cath for all their hard work. Last week six club members attended a judging course to attain level one accredited judges within the club. To my knowledge we now have at least 8 accredited judges which is a great way to ensure we are up to date with criteria and rules in longboarding. The more surfers and judges we have the stronger the club will be.

I would like to thank the committee for all their efforts this year,they have done and excellent job and have worked as a team to make it another successful year. Also thankyou to all the members and their partners for all their help through out the year. There are so many great people in this club that help out in so many ways, and that's what makes the year run smoothly and successfully. I hope everybody has had a great time this year and return next year as it will be greater and better. Thankyou to all Alex Mal Club members for a great year. The strength of a club is in its members. We can pray for waves on Sunday and then prepare for the presentation party in a couple of weeks. Yewwwwwww

Thanks again,
See you in the soup

Drew

Any club members that wish to support a great local, charity organization like SalTy Souls via donation or attendance please see the below brochure for more details.

Salty Souls LEGACY

Our aim at SalTy Souls Legacy is to help underprivileged kids and teens get out into the water, surf and try to heal through the power of the ocean, both mentally and physically.

Most children and teenagers who live in foster care or come from disadvantaged backgrounds, simply cannot afford surfboards & surfing lessons.

We wanted to create a way to make their dream to surf come true.

How you can help

SalTy Souls Legacy will be calling on our community for donations of 2nd hand surf and boogie boards, leg ropes, fins, wax, sunscreen, wetsuits, rashies & boardies.

We can't rewrite their beginning, but we can try for a brighter future.

Donation Day

10.30am 8th December 2018. Mudjimba Park - You'll find us...
And believe us - you will make a difference!
