From the President

Welcome all Alex Mal Club members and families and friends to another great year ahead for this great club full of so much history and spirit and I know we are all looking forward to a fantastic year ahead .

Such a great start to the year Thanks to everyone who attended our annual AGM at the North Shore board riders clubhouse on the 28th Jan and special thanks to the new committee for 2021 in putting your hand up this year and so great to see the amount of enthusiasm and ideas for the year ahead coming from everyone and then we went straight into our first club comp of the year on Sunday the 31st Jan and WOW what a great roll up for our annual Sign on Day with lots of new members and members for years and decades of all ages joining and entering across all divisions Old Mal, Open 9ft ,Open 8ft and Juniors some of those heats were just like finals and the standard of surfing was so unreal and of such a high standard all day in changing conditions and great teamwork by all the committee and Alex members helping out making sure the day all ticked along like clock work.

We will be doing an order of Alex Mal T Shirts for \$25 so please let us know what size you want if you didn't put it on your membership form .

Special thanks to Bowie and crew at Beachbeat for sponsoring 4 x \$25 gift cards which went over well surprising the lucky winners so remember please support the business that support us and we are already talking to sponsors already in supporting the club thru the year and for this years Winter Longboard Classic so any ideas from anyone please let any of the committee know .

The club is also looking at applying for a few grants that are available and engaging CPR group to help us in putting our applications together sooner the better so any thoughts and ideas please let us know

We have locked in all our dates for all our annual events for 2021 so here they are

Keep your fins wet .

From the Vice President

Hi everyone,

Let's hope this year will be a cracker and we won't have to cancel any comps. The first comp of the year was great, waves were ok and the turn up was even better.

The COVID vibe will always be something we should be keeping in our minds, who knows when or if it ever appears, so do the right thing and follow procedures the club has put in place.

For those who don't know or those who choose to ignore, surfing in the comp area is not on. Show some respect for your fellow club members.

The monthly meetings are a very important part of the club, we would love to see more members attend. See you at the next comp and meeting.
Mickey V.

From the Contest Director

G day all,

How good was our first competition of the year with waves, sunshine, and fantastic vibes.

So cool to see so many old and new members enjoying the atmosphere. Especially good to see high level of surfing all day in all divisions.

I am honoured to be the contest director and especially like to thank all the experienced members for the guidance and helping me settle in my new role.

Kind regards,
Owen

From the Treasurer

Hi all,

Thanks to everyone who came and joined up again this year, and our new members covering a variety of different divisions which is fantastic.

You would have noticed we now take gold coin donations for soft drink and water. Seeing we still charge the least out of other clubs for membership and we don't charge for BBQ.

Also to help raise needed funds for the club we will be starting to do raffles at our comps, keep an eye out for that. Probably being \$5 a ticket, still working on prizes. And lastly, a friendly reminder to those who still have not paid membership and or shirts this needs to be paid before next comp if you want to complete.

Look forward to seeing you all next comp
Cath
